

# Don't Buy Koch Brothers' Products!

Georgia-Pacific is owned by  
Koch Industries

Avoid these GP brands:

toilet paper

While consumer boycotts are important, GP makes much more money from large institutional purchases in the food service industry (Dixie), and for places like universities, hospitals, and office buildings.

If you see any of these brand logos on any paper supplies, please urge the managers of that facility to buy and supply alternative products.

paper towels and napkins
